Message from the Editor and Committee

We hope everyone is doing well and staying healthy and safe. As always, we are very proud of our newsletter and the progress we have made. Creating content that is applicable to our members and sponsors is our top priority. The goal of this newsletter is to promote further education and forensic training, encourage research and outreach, and share advancements and developments within the forensic community. We would like to take this opportunity to thank our amazing members for their continued support and participation in this organization. If you or your company have any achievements, promotions, or kudos that you would like to award, please let us know and we would be happy to include them in the next newsletter.

- Isabella Sanders

***Hope everyone's fall
went off without a hitch!
Prepare yourselves for
a spectacular winter
season!***

The Double Loop Podcast is a weekly show featuring Glenn Langenburg and Eric Ray discussing latent print topics, current events in forensic science, the newest research articles, interesting guests, and analysis of notable cases from a forensic scientist perspective.

PRESIDENT'S MESSAGE

Message from the President

I can't believe the end of fall is already upon us, but I'm excited for the cooler weather ahead. This year, we've been working on gathering outreach opportunities to expand membership and spread information about our organization. With that being said, if you or someone you know is hosting a training that you think we could benefit from sponsoring, please reach out to me and let me know. We would love to see what we can do to help. As always, membership is continuously important to us, and we would love to expand more outside of the Middle Tennessee area (in which a majority of our membership resides). If you have contacts that include other agencies that you feel would benefit from joining, please share our info or reach out to me and I would be happy to do so myself.

As we reach the end of the year and head into the holiday season, I would certainly like to extend my gratitude to our membership and look forward to what this next year has to offer us.

**Best wishes,
Easton Haynes**

**Easton Haynes
2023-2025 TNIAI President**

TENNESSEE DIVISION

INTERNATIONAL ASSOCIATION FOR IDENTIFICATION

OFFICERS AND BOARD MEMBERS

2023-2025 TNIAI Officers and Board Members

Research and Innovation:

If anyone has a research project that they have worked on, an article they have written, or anything else that other members of the TNIAI might find interesting feel free to send it to tennesseeiai@gmail.com and we will add them to the newsletters.

About Us:

The Tennessee Division for the International Association for Identification (TNIAI) is comprised of forensic scientists, tenprint examiners, detectives, crime scene technicians, police officers and others dedicated to the advancing of education and training for crime scene processing and forensic identification disciplines. The TNIAI hosts an educational conference featuring current topics and distinguished speakers.

For additional training opportunities, visit our website at <https://www.tniai.org/training>.

Connect with us online:

Facebook: <https://www.facebook.com/TennesseeIAI>
